### Reflections:

*Have you ever heard a trumpet blast? If not expecting it, it can shake you from head to toe. Lent begins with the blast of the trumpet. Listen to how it sounds. What are you looking and hoping for this lent? What do you wish to pray for this lent? When and how might you pray today and throughout the season of Lent?*

*Reflections: God establishes a covenant with Noah, with all of Noah's descendants and every living creature, stating that God will never again destroy the earth by flood. This is the first time God explicitly establishes a covenant with anyone, and in this God commences a covenantal relationship with all of creation that will be treated and expanded upon throughout the generations. Even with us.*

*Why has God chosen to make covenants with us?  
 What do these covenants mean to God?  
 What did this covenant mean to Noah?  
 I wonder what being in a covenant relationship with God means to you?*
